Product description

The ZEN by Cersanit collection is characterized by a refined to perfection combination of harmonious shapes and high-end design, which will bring a calming aura to any interior - regardless of its style or size. Modern faucet handles finished with a knurled surface are an interesting stylistic addition to the entire ZEN by Cersanit collection. The uniqueness of black products from the ZEN by Cersanit collection is also evidenced by the elegant matte surface finish of the fittings. The single-handle concealed washbasin faucet from the ZEN by Cersanit collection is fitted with the ecological Cersanit Water Save aerator and a 25 mm ceramic cartridge which enables smooth control of the water stream. The ecological Cersanit Water Save aerator aerates the water stream thus increasing its volume and limiting the water flow to 6 l/min. This allows for a strong, powerful stream without having to turn on the faucet to the maximum. The concealed part of the fittings is a modern solution in the form of a box, which is easy to install and replace. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.
