IVA 160X70 BATHTUB RECTANGULAR

COLLECTION IVA

PRODUCT CODE:	S301-381

Product description

Comfort, timeless style, functionality - these are the main features of bathtubs from the IVA collection. Their rectangular shape has been designed for a comfortable and relaxing bath. The ergonomic backrests in IVA bathtubs are perfectly adapted to the shape of the back. The right angle of inclination provides the body with a natural position and guarantees comfort during bathing. IVA bathtubs are made of high quality STOP UV acrylic. It makes the surface smooth and pleasant to the body, and the poured water remains warm for a long time. In addition, acrylic bathtubs are light, soundproof and hygienic. A wide range of sizes in the IVA collection means that everyone can choose a bathtub perfectly suited to the arrangement of the bathroom and its size. For the 160 cm bathtub, there are front and side panels from the LORENAcollection.
